Regional Sales Director – Germany-Switzerland

Do you enjoy managing a team of professionals delivering to customers products & solutions that boost the productivity and sustainability making the world a better place for us all? We are looking for an experienced and proactive Regional Sales Director for Wolong Motors & Drives to be based in the region. In this position you would be responsible for leading and coaching your team and delivering budget achieving results by driving the strategy in the region. By joining our team, you will have the chance to be involved in the creation of exciting new business opportunities and to work for an industry-leading manufacturer.

Your background and what is important to us

We're looking for an experienced people manager with proven track record in sales management and a results driven way of working. You have a strategic vision to grow the business profitably in line with the EMEA strategy and you lead your team of roughly 20 Sales Engineers in implementing it.

You have successfully completed studies in the field of electrical engineering or relevant field of study and/or versatile experience gained through work experience. Knowledge of motors and drives industry is considered an advantage. You possess a good skill set in negotiation, interaction and cooperation with different cultures. You are fluent in German and English. You're expected to travel within the region.

What is in it for you?

We offer you an interesting role in an international business environment, extraordinary products, great colleagues and opportunities for your professional development in a growing corporate organization. This is your opportunity to join the dynamic Wolong family and to power your future, all working together to build a better future for our customers and the industry. At Wolong, you are empowered, your initiative and teamwork are highly valued and your contribution and success are recognized.

Want to be part of Wolong family?

Submit your application in English to :
